MCL Detachment 224
January 2023-02-06
Quartermaster Report

As far as the Quartermaster is aware, there have been no sales, or purchases made in the Month of January, 2023, other than listed below.

Sometime during the month of January, unknown person or persons, placed the following red MCL polo shirts in the shed, in the following sizes: 2XL - 5, XL - 2, L - 9 and M - 8, with a handwritten note laying on top of the shirts with the sizes and MCL cost of \$30. These shirts will be available after the meeting for the mere cost of \$30. If the purchaser desires their name to be embroidered on their shirt, tis can be done for an additional \$10. Place the name desired on the shirt, pay the Paymaster, and the Quartermaster will have it done, and the shirt will be available at the next meeting..

A cover was ordered, received and embroidered for Marine WERN.

A MCL polo shirt was ordered, received and all embroidery was done for Marine Tindall. The reason this shirt was ordered was because we did not have a shirt available in his size. A shirt was ordered through our supplier , 1 Hour T's, 5590 State Rte. 31, Cicero, NY 13039 and will be available for Marine Tindall at this evenings meeting.
